

zeparo

Separator Heating and cooling water systems

Zeparo Magnet ZUM

Separator for sludge particles, with magnetic action

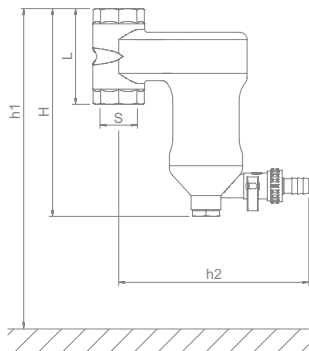

- helistill separator
- excentric tangential de-sludging valve
- dry magnetic rod in pocket to increase the magnetite capture
- Universal type, brass
- addition of antifreeze up to 50%
- horizontal installation, female thread or compression fitting

PS: 10 bar TS: 110 °C

Type	H mm	h1 mm	h2 mm	L mm	G kg	S	VD m ³ /h	DP _{VD} bar	Article-N°
ZUM 20	163	210	75	88	1.4	G 3/4	1.25	0.017	789 3120

Zeparo Magnet Lateral

ZUML

Separator for sludge particles, with magnetic action

- helistill separator
- excentric tangential de-sludging valve
- dry magnetic rod in pocket to increase the magnetite capture
- Universal type, brass
- addition of antifreeze up to 50%
- lateral, vertical installation, female thread or compression fitting

PS: 10 bar TS: 110 °C

Type	H mm	h1 mm	h2 mm	L mm	G kg	S	VD m ³ /h	DP _{VD} bar	Article-N°
